Representative Matters

Employment: Caroline Vincent has mediated every conceivable kind of employment dispute including gender, sexual orientation, age, race, religion, national origin and medical condition discrimination, racial and sexual harassment, pregnancy and family leave act, disability, wage and hour disputes (individual claims, class and mass actions), breach of contract, constructive termination, retaliation, trade secrets and whistleblower disputes.

Commercial/IP/Entertainment: Caroline Vincent has mediated and arbitrated hundreds of business disputes in a wide variety of areas. She has experience in corporate and partnership dissolutions, franchise disputes, accounting and finance, license agreements, intellectual property disputes, entertainment disputes, joint ventures, non-profits, secured transactions, license agreements, and international business transactions. Her high-end transactional background includes industry expertise in radio stations, hotels, garment industry, health care, high technology and inventions, and banking and lender representation.

Real Estate: Caroline Vincent has mediated or arbitrated more than 500 real property related disputes, including numerous construction defect claims of all sizes. During her 20 year legal career, she devoted several years to high-end transactional practice, with significant experience in commercial, residential and

industrial development, construction and permanent financing (representing developers, tenants, lenders and borrowers), syndications, acquisitions, sales and exchanges, leasing, landlord/tenant, condominiums, shopping centers, hotels, office buildings, commercial and industrial centers, owner's associations, CC&Rs, title and title insurance, foreign acquisitions and dispositions, foreclosures, short sales & work outs, CERCLA and related environmental matters.

Personal Injury/Insurance: Ms. Vincent has resolved hundreds of injury and insurance related disputes, ranging from simple auto accident to complex matters, including overlapping injuries, premises and toxic tort liability issues, UM/UIM, multiple defendants, first party claims, coverage claims, bad faith and SIU matters, professional liability.

Probate/Elder Abuse/Family: Ms. Vincent is adept at resolving complex family relationship matters involving custodial care, accounting, fraudulent transfer, heirship disputes and the management and disposition of assets. In over one hundred probate, trust, will contests and financial elder abuse matters, she has successfully used her interpersonal skills combined with her ability to craft creative and practical business, real estate and family centered solutions. Elder abuse claims include individual and class action nursing home matters.

Notable cases include:

- **Computer Technology Dispute:** Successfully mediated \$200 million trade secret dispute between public company and former CEO/founder
- **Pigford v. Glickman:** Senior member of peer review team, including adjudication of over 1,000 claims by African American farmers against U.S. Department of Agriculture
- **Sexual Harrassment:** Pre-suit claim by managerial employee against publicly known CEO involving allegations of sexual assault & battery
- **Probate Dispute:** Complex trust dispute over management and control of multimillion dollar business trust, between partner of deceased husband (business trustee) and wife and children of deceased husband's estate, residuary beneficiaries of business trust
- **Real Estate Partnership:** Arbitration of real estate broker partnership dispute and dissolution, involving distribution of national real estate brokerage franchise rights, usage of business name, allocation of commissions.
