While working in private law firms in the Bay Area and San Diego, he acquired significant experience handling numerous bench and jury trials in general civil and business litigation, including: construction claims and defect litigation (representing plaintiff associations, individual homeowners, developer/general contractors, and a wide variety of subcontractors); personal injury (plaintiff and defense); product liability; insurance; premises liability; professional E&O; real estate; employment; civil rights; and municipal liability defense.

In 2000, Bob opened his own independent mediation firm, Friedenberg Mediation, to focus exclusively on alternative dispute resolution. He subsequently joined ADR Services, Inc. in 2018. Bob is certified by the National Conflict Resolution Center and the Straus Institute for Dispute Resolution, and has served as a San Diego County Superior Court Judge Pro Tem since 1997.
