GENERAL FEE SCHEDULE

NEUTRALS' RATES

The hourly and daily rates of our neutrals vary depending on the panelist selected. Neutrals are independent contractors and set their own rates. Each party will be assigned a prorated share of the fees, unless agreed to otherwise in advance of scheduling a hearing. The hourly fee for the estimated and scheduled hearing time shall be paid in advance of the hearing date. Neutrals' rates are subject to change by written notice to counsel and shall apply to all services rendered after such notice is given.

Responsibility for Payment: Please note that counsel, not the represented party, has contracted for the neutral's services. Accordingly, counsel will be held responsible for payment of all charges associated with the neutral's services in this matter.

ADMINISTRATIVE FEES

For mediations, ADR Services, Inc.'s Non-Refundable Administrative Fee is assessed once a hearing has been scheduled in the case. For all other matters, including arbitrations, references, private trials, special masters and appraisals, ADR Services, Inc.'s Non-Refundable Administrative Fee is assessed when the matter is first initiated. Each party is responsible for this fee, even in the event of a timely cancellation. The fee includes, but is not limited to, access to an exclusive panel of ADR professionals, use of our bespoke case management software service, ADRS Case Management System, document handling, dedicated case management services throughout the duration of the case, and use of our conference rooms and business facilities.
